Wasserman Schultz, former chair of the Democratic National Committee, is coming under scrutiny for the DNC "re-engagement" in pro-Israel fundraising at the expense of members, as well as low-level donations. A statement from the DNC on Thursday night was critical of her previous actions. | AP Photo Wasserman Schultz to be deposed in lawsuit over DNC email hack Rep. Debbie Wasserman Schultz (D-Fla.) will be deposed in a lawsuit related to the so-called "hack" of Democratic National Committee emails, according to a court filing Friday. Morton Street, a legal action group that is suing Wasserman Schultz over the alleged DNC email leak, said the deposition will take place between June 9 and July 8. The hearing is scheduled to last around three days. Wasserman Schultz is among dozens of Democratic officials, candidates and political operatives whose communications were allegedly hacked by Russian intelligence services in the spring. The DNC has denied the breach and no one has been charged in connection with the email hack. In a Thursday night statement, Wasserman Schultz said she stands by her previous statement, in which she said she never heard "that 09e8f5149f

### What's New in the?

Autumn is a great time to enjoy life, to make use of the fall colors and to catch views of the magnificent landscape of autumn, to enjoy the feelings that it provokes by all means, as well as to have the best of the new season. Everyone knows that autumn is also the time when the trees in the forests start to loose their colors, that is why they become darker and they lose some of their colors, that is why we have so many images of trees in autumn, they stand out in all of their glory. With this theme you will enjoy feeling like in a place where all the elements are falling down over time, as in the beautiful past of life. **Autumn Tree Wallpapers:** The image you see bellow is of a tree in autumn, it is a wallpaper that is a part of the theme pack that you can download in the gallery section. It's a high definition image with a resolution that can be well used on all the computers and devices. As you can see the image has a very realistic aspect, it looks as the tree is really falling down, the sky has also a great aspect of the autumn, it looks as the colors are coming back to the ground. **Autumn Tree Login:** In order to use the theme you will have to use a login name and a password. Login name can be your username and you can create it from the login screen of the OS, you will have to open the login screen of your computer and then to select the option of the username. In this way you will be able to log in using this username and to use the theme. The login name cannot be different than the username that you use to log in to the OS, it will be rejected if it is not the same, this is a security feature of Windows. The password is what you use to identify yourself in the login screen. **Autumn Tree Personalization:** In this section you can see all the features and elements that you can personalize of the theme, as a great part of the elements that you will find in it are the new Windows 7 features, as we can see the new advanced search tool in the taskbar, the new network icon in the system tray and the new option to manage your programs in the task bar. In the desktop we will find a new small icon that allows us to start the program by just clicking on it, this is a new feature of Windows 7, it can be used to launch any type of program,
